RENOVATE OR REMOVE!!

Here is a rare opportunity indeed.

Located on a 708 sq.m metre battle-axe block right on The Strand, with direct ocean views, is this brilliant opportunity for both home owners and developers or new home builders.

For home owners there is a 3 bedroom 2 bathroom high-set home that's well-presented but in need of a renovation. Upstairs there are 3 good-sized bedrooms, all with built-in robes, a renovated bathroom with a separate toilet, a great-sized living room that joins the kitchen and dining area, and a large front deck that has direct views to the ocean. Down the internal stairs there is a large rumpus room, a second bathroom and access to the double garage. Out the front of the home is a large concrete area that provides an abundance of additional off-street parking.

For the developers or new home builders, the home could be removed and have a rare allotment on The Strand with uninterrupted ocean views and the ability to build to 5 story's (STCA).

Buyers looking for a rare piece of land, in a very desirable location, should arrange an inspection soon.
