UNDER CONTRACT

Perched proudly on the leafy lined streets of Hospital Hill, this charming home boasts an expansive outlook that looks like an idyllic postcard you would pick up on a rural holiday. This elevated North facing Queenslander is one of the first homes on the hill and has been tendered to and loved by her custodians, which you can see in every room of this gem. Peaceful views are abundant from nearly every room and she retains all her yesteryear features with modern and stylish living.

Pretty windows extend along the entire front and the views of the rolling morning mist and the fiery sunsets paint an ever changing vista that you could never tire of. Coffee coloured floorboards set off the bright and light walls and every room feels relaxed and airy. The rear lane secondary access off Bent street would be perfect for a romantic studio capturing those striking mountain ranges and the azure skies.
