WHAT A SURPRISE

Photos will be uploaded on the 14th April

Pulling up at the front of this great family home you don't expect to find the amount of space on offer once you walk in. You get the sense of size from the front door with a inviting wide hall taking you to the generous open plan living dining areas which can be surveyed from the modern galley kitchen allowing the entertainer to be in the action while last minute preparations are being completed for the guests. From the family room you exit to the outdoor covered entertaining area with mountain view and surrounded by a proper back yard with side access. 4 Good sized bedrooms with the main offering extra room with his and hers built ins and ensuite. The media room if not required could possibly make a large fifth bedroom as the home has ample living areas, or leave it as as for a media or perhaps a rumpus.
