SECRET PARADISE

This lovely property would be perfect for the young family or retirees with a love for tropical gardens. With a gently sloping paddock for the kids to ride their trail bikes.

Set privately, almost hidden from the road is the brick home overlooking the property and beyond. Boasting 3 bedrooms (one of which has a built-in and access to the two-way bathroom). Air-conditioned open plan living area with timber kitchen. Large linen cupboard and enclosed verandahs at both ends of the home.

There's a single carport, double garden shed and a stable. The whole 1.57ha (3.8 acres) is fully fenced into 1 large paddock for the horse, 1 smaller sheep paddock plus the house yard.

Dotted over the property is a range of magnificent mature Eucalypt and rainforest trees, making the perfect habitat for the large variety of bird and wildlife which call this place home.

Plus you have a small lightly timbered valley (which could be further enhanced), where the dam is located. It is equipped with an electric pump, which pumps to water points all around the lush gardens. This private property is located in the sought after Veteran area approximately 5 minutes north-east of Gympie.

It is also zoned Rural Residential and with the home located in the top corner of the block, there is a possible potential to subdivide into 2 blocks (subject to council approval).
