QUEENSLANDER QUALITY

Do you need some space for your growing family? This classic Queenslander could be just right for you.

Fully air-conditioned, VJ walls and 12 foot ceilings giving you that spacious feeling and maximum air flow. 3 bedrooms (2 with built-ins) and study with built-in work station. Large Silky Oak kitchen with island bench, 2 sinks and stainless steel dishwasher. There is a storeroom beside the kitchen which could easily convert to a butlers pantry. Generous dining area which flows into the lounge room. Modern bathroom with separate shower and bath. Warm friendly entry porch and verandah on one side.

Under the home is fully concreted. There is an extra toilet and parking for one car with a remote door plus heaps of space for storage and the pool and ping pong tables. You have grid connect solar power and the Colorbond roof is approximately 2 years old.

In the backyard is the 7.5m x 9m shed with concrete floor. The flat 1039m² allotment is fully fenced with lush lawns, gardens, orange and paw paw trees.

This lovely property is high and dry with views to the east and is conveniently positioned in a great part of town. Book an inspection today.
