50 ACRES OF SECLUDED SERENITY…

A great opportunity to secure a large parcel of land 15-20 minutes from Yarra Glen located in a lovely, quiet location at the end of a country road.
Approx. 50 acres with around 5 cleared acres and creek frontage, sloping upwards to the rear of the property that moderates towards the top. Use for a weekend retreat, campsite or build your dream home (STCA) There's the original two-bedroom cottage that you may opt to restore, however, be prepared as it's in need of a generous helping of TLC!
With a bit of imagination there's potential to create a wonderful oasis hidden away from the hustle & bustle of life where you can simply wind down and enjoy the surrounds.

All genuine offers considered.
