"WHITTON VINEYARDS"

"Whitton Vineyards" Extensively developed for winegrapes, the landholding produces high yielding premium wine grapes in a premier horticultural region, providing a significant opportunity to an incoming purchaser.

Key features of the opportunity include 96.64* hectares of high yielding wine grapes, planted on red sandy loam soils with variety including ruby cabernet, shiraz, Chenin blanc, Chardonnay, Columbard, Pinot Grigio and Semillon.

Excellent fit-for-purpose infrastructure and well-developed structural improvements including a large machinery shed/workshop, offices and sundry irrigation shedding.

Pricing Guide & Full Digital Webbook/Information Memorandum available on request.

Offered for sale via 2 Stage Expression of Interest - 1st Stage Closing the 14th of June 2022 @ 5pm.
