FIRE DAMAGED HOUSE

What once was someone's dream will now become someone else's project!
What once was someone's dream will now become someone else's project!
With the beautiful beaches and bike/walking tracks of Devonport only a short distance away and the Devonport CBD just as close, this property sits in such a good location. Also close to schools, shops, transport and the Devonport Aquatic Centre, this one has the potential to be your dream home or develop the property as you see fit. STCA and with Bunnings only a short drive up the road, renovating should not be a major feat for someone who knows what they are doing. With a good aspect for the sun, predominantly facing north, the options here are many, for a savvy know how developer or builder.
If you're looking for a project, this one could be for you. Call Hayley Martin today to arrange a private inspection.
