GREAT SINGLE LEVEL HOME WITH POOL IN ELEVATED CENTRAL LOCATION

This beautiful, rendered, single level brick home has all the features you need to either start your real estate journey or downsize from the huge family home on acres of land. Located in a central and popular elevated North facing street with amazing coastal breezes, you are surrounded by other lovely well kept homes. Close enough to town and the freeway North yet the locals love the fact that its a quiet and peaceful suburb with well established trees, parks and bike tracks. Great for young families or those moving in from acreages.

The owners have added a number of great features to the property since they bought it like a 6.6kw electric solar system, a new Miele dishwasher, a self cleaning Fisher & Paykel oven, LED downlights and a new sand filter for the in ground swimming pool.

The home has 3/4 bedrooms with 2 bathrooms, family room, open plan kitchen, dining lounge flowing out to the under cover alfresco BBQ area looking out to the inground pool. This house has a natural flow from front to back and is an easy live property. Not too big for the downsizers and not too small for the young family and at a price that is right on the money. The doggie has a big patch of grass out the back too along with the classic Hills Hoist style clothes line. Private and peaceful with lovely neighbours.

Location wise you are 5 min from town and the airport, 15 min to the beach and Lennox Head, 30 min to Byron Bay, and the Freeway can get you to Noosa in around 3hrs. Call Vaino from @realty Lennox Head on 0487026765 for more information.
