Don't miss this exciting and rare opportunity to secure an incredibly versatile property with an abundance of breathtaking mountain views and enticing potential. Set on an elevated 4,678m² (0.47ha) block with spacious four bedroom home, in-ground pool, dual sheds and funky studio there really is something for everyone.

From the moment you first enter the property the impressive size and scope of what is presented here is immediately apparent.

The top section of the property enjoys easy, main road access and hosts a 6m x 9m lock-up shed plus 6m x 6m machinery shed for the tools and toys, and a large 5m x 8m studio with stunning views for those seeking space to work, play, workout, or just hang out.
