FULLY FENCED, USABLE 9,649M2 PROPERTY WITH SOLID BRICK HOME, SHEDS, BORE AND FRUIT TREES.

Situated in a prestige street and surrounded by quality acreage properties, here you will find a very private, well-hidden home on a usable 9,649M2 fully fenced block. This acreage property has been beautifully landscaped to create many different pockets to enjoy, from meandering pathways through old growth rainforest areas, to fruit trees galore as well as plenty of flat grassy areas for the kids and family pets to run and play.

The solid brick home is very spacious with 2 separate living areas connecting to the spacious kitchen which looks out onto a very private covered courtyard. There is also a double lock up garage plus a large shed with an attached carport so plenty of room for the family cars, workshop, caravan or whatever you need.

The property has many different mature fruit trees along with veggie patches and an abundance of water from your springfed bore. What a perfect property to grow your own little market garden. This pocket of Tamborine Mountain is extremely sought after and provides a very safe & peaceful environment, with low maintenance gardens and a versatile floor plan.
