Access in is easy, and you have multiple opportunities to park the car as there is a large double lock up garage, several carports, multiple sheds for storage and even enclosures for pets. The property is powered by mains electricity plus solar with 2 x 22,000L tanks off the home, a 5,000L off the shed and extra water pods in case they are needed. In addition, a seasonal dam is to the rear of the property and the septic system independent.

The home had humble beginnings as a shed, however over time became a spacious and warm family home. Inside, the extensive timber gives a feeling of being in a log cabin, well away in the woods.
