STUNNING MODERN COASTAL DESIGNED HOME

New to the market is this beautifully renovated home in what is arguably one of the best lifestyle suburbs in North NSW. This suburb is elevated and surrounded by pasture, bush, bike tracks and parks and just a stones throw from the beachside suburbs of Lennox Head and Byron Bay. The owners have excelled in paying close attention to every element of it's contemporary design from colours to the materials used. A young family or a couple downsizing from a bigger property would both feel comfortably at home here. The home is set on a substantial, 800m2 level, sunny block. There is ample space for the kids to play on the inground trampoline, for pets to run around and grow some vegetables.

Upon entering the home it feels so enticing with the wide Oak solid timber flooring, light coloured walls and a cathedral ceiling in the huge lounge room. This creating a warm, clean, modern coastal feel. The four bedrooms all have fans, LED lighting and built in wardrobes with cool VJ panelling feature walls.

The master bedroom has a WIR, luxury ensuite and opens up to the back deck and huge backyard. No expense was spared in the ensuite and main bathroom with imported Italian floor tiles, handmade jade green wall tiles, in wall toilet setting, custom gunmetal ABI tapware, Caesar stone benchtops and wooden Kethy handles.

The kitchen is a dream with 40mm Caesar stone Cloudburst concrete benchtops, a freestanding new Smeg gas oven and cooktop, Artisan dishwasher, large porcelain farmhouse sink teamed with brushed gunmetal ABI tapware, Kethy wooden handles and a Venetian plaster splash back.

Out the back is a stunning, large, covered alfresco/BBQ area with beautiful wide hardwood decking perfect for those afternoon drinks whilst keeping a close eye on the kiddies. The grassed backyard goes on forever with a large garden shed at the back.

This home encapsulates the modern Australian lifestyle. Luxury indoor outdoor living all flowing into each other with loads of light, fresh air, sunshine AND A HUGE LEVEL BACKYARD!
