ULTIMATE ENTERTAINERS IN QUIET CUL-DE-SAC

Presenting to the market this immaculate modern lowset family home situated in a quiet cul-de-sac on a fully fenced and beautifully landscaped 1250m² block with side access in the highly sought after Greenwoods Estate. Entertainers' paradise with five separate living areas including a media room, inground saltwater pool, gourmet kitchen and plenty of off street parking with a calming bushland north easterly aspect!

Through the modern pivot front door entrance, you are greeted by lavish high gloss tiles. Drawing you through, this home quite literally unfolds with the media room to your left, study and children's/guest wing to your right (offering complete separation from the master) before you enter the hub of the home featuring open plan, dining and gourmet kitchen complete with an oversized walk in pantry, brand new 750mm oven, near new dishwasher, soft close cabinetry supporting the gorgeous granite stone benchtops and island for the kids or guests to sit around and discuss the happenings of the day while the chef in the family prepares a feast!

Adjoining the hub of the home is the family room/games room and separate lounge room offering a very serene and tranquil view of the treetops and manicured hedges, it's very easy to put your feet up and relax especially in those cooler months with the feature electric fireplace on, a soft throw, a glass of red and a good book but for those that love entertaining the best part is it all wraps neatly around the tiled outdoor alfresco area looking out to the sparkling inground pool and tropical oasis setting. The yard is plenty big enough for the children and fur babies to run around and tire themselves out also.

Back inside you will appreciate the master being in a wing of its own, presenting with solid rubberwood timber floors, fitted out walk in robe and ensuite that offers a frame less shower complete with large rainwater shower head and linen cupboard storage. The other three bedrooms all generous in size offer built in robes and ceilings fans too and are accommodated by the main bathroom and separate toilet. Storage is in abundance in this home catering for all your needs.

There is so much more to mention, an inspection is a must to appreciate the quality and feel that 2 Anna Court Cashmere has to offer!
