MAJESTIC HOME ON VOYAGERS DRIVE - A STEAL!

This magnificent highset 4 bedroom open plan designed home which was built in 2004 on a 708 sqm block has 3 bathrooms, open plan kitchen/living area, study, media room, separate dining room and double garage. The home has recently been renovated and boasts an enormous kitchen with new caesar stone bench tops which overlooks the living area.

Located on the ground floor you will find the grand master bedroom with en-suite and spa bath and an extra-large walk-in wardrobe which could double as a dressing room. The en-suite is equipped with safety rails. The remaining 3 enormous bedrooms (2 with walk-in wardrobes) are located on the top floor off the large landing which could be used as a children's play area or reading area.

The back yard has been divided into 3 areas, fenced in-ground swimming pool, outdoor entertainment and a grassed area for your children or pets to play. There is a huge front driveway area which will accommodate a caravan or boat plus additional car parking. This home is ideal for a large family or for those who want a sea change and want more room so that family and friends can visit.

The owners are motivated to sell and the home has been priced accordingly so it will not be on the market for long. Give Geoff a call on 0414 230 130 to see this great home and put in an offer before someone else does!
