If you've been looking to purchase your first home, this affordable, beautifully presented 3-bedroom home might be the one! Tucked at the end of a quiet cul-de-sac, you'll find this 2-storey, 1.5 bath home on a 401m2 elevated block.

New hybrid flooring flows seamlessly through the upstairs open plan kitchen, living and dining areas. The living space opens out to the new front deck with a leafy outlook, while the kitchen opens out to the spacious, rear entertaining deck.

The bathroom is brand new and has been finished in classic, crisp whites and fitted with modern black fixtures. The bathroom also offers two-way access from the master bedroom. And there's a second toilet in the renovated laundry room.

Freshly painted throughout, with split system air conditioning in the master bedroom and living area, ceiling fans and built-in robes, this home ticks boxes.

Along with the big and private entertaining deck, out the back, you'll also find easy care gardens and a fully fenced yard. Parking is taken care of with a double garage with roller doors and has the benefit of internal access to the home.
