AWARD-WINNING, MAGNIFICENT FAMILY HOME!

Seriously, if you're after a large family home with all the bells and whistles, then look no further than this beauty!

9 Comet Corner won a Housing Industry Award for design in 2009 – and still puts most other designs to shame. It sure is a far cry from a typical McKail home!

My write-up can be multiple pages long, but for once, I'm going to let the pictures tell the story as all aspects of this home is beautiful.
