MOUNTAIN IN THE MIST

There is 42.32 acres (17.13ha) in Wolvi for how much? Yes, that's right, you can have this amazing forest property for just \$295,000.

Complete privacy and outstanding rural views. Stunning rock formations, rare ferns and huge trees, predominantly Yellow Stringy Bark and Bloodwood. A great place to build your private cabin or Airbnb cottage to take in the views and create walking trails to zig zag around this picturesque acreage to enjoy the native ambience.

Sit quietly and enjoy the abundant bird and wildlife in the early morning, as the refreshing mountain mist swirls around you. Situated on a quiet no through road approximately 25 minutes east of Gympie and 50 minutes north west of Noosa.

Here is your chance to grab some value east side acreage.

0 BED | 0 BATH | 0 CAR
