SOLD BY SUZANNE FOSS

SOLD by Suzanne Foss. The home is a standout with its offering of three bedrooms plus an office and covered outdoor entertaining. It is free standing with side access, a glorious garden, and an outlook to the bird-filled park beyond. There is garage parking plus extra parking on the property for at least three more vehicles. The home is immaculately presented and there is nothing to do but move right in.

Tucked away in the Sunbird gate of "The Oasis", the cul-de-sac location ensures peace and quiet in a small exclusive section of the complex. There is room for a camper or boat behind the gates.

The light filled living and dining areas have an abundance of windows that frame the beautiful colour of the garden. There are not only solar panels for economy but also two batteries for power back-up.

The three large and airy bedrooms all offer attractive outlooks, and all have built-in closets. The master has an ensuite and bay window as well.

The fourth room is a study with extra storage but could be used as a second living room.

The stylish, well-appointed kitchen features granite bench-tops and a dishwasher, breakfast bar and overlooks the living room and out to the gardens. It has generous cupboard and counter space.
