Here is a property that is almost ready to subdivide with the services independently connected to each property so all the work (except for Western Power Pillar) has been done for you and no strata fees.

Situated on 911 sqm, the two homes will each provide separate rental incomes. Currently on one title, this property is ready to apply to WAPC for subdivision due mid 2023.

Comes complete with:

- Sub divisional Plans
- Confirmation of zoning change - under TPS24 Shire of Gosnells
- Level of feature survey – Cook and Marsh Licensed Surveyors
