## CUTE COTTAGE - ELEVATED POSITION - SUBDIVISION POTENTIAL

This neat, tidy 1950's timber framed cottage on elevated 809m2 lot with views to Mount Clarence from the rear of the property is perfectly poised for another round of long-term love.

Held within one family for many years, it sits next door to a property that was once owned, lived in, and loved by the Aunt of the owner of 109 Angove Road. She used to visit her 'Nana' through a gate in the fence between the two properties when she was little.

Cute as pie, the cottage could be lived in or rented out. It would also make a very cosy short stay given appropriate approvals.

Sufficiently forward on the lot and with wide side access to the rear, the cottage could easily be kept, and the rear subdivided for a new home that capitalizes on the beautiful twinkling night lights of the CBD to the south. To the north is bright sunlight that comes with the elevated position on the Spencer Park scarp.
