Located within the Cape View Beach Resort and situated in the idyllic coastal pocket of Broadwater, this 2-bedroom, 2 bathroom villa will be perfect for your holidays down south or weekend getaways. This is an easy-care and easy-use villa, and you can simply lock-up and leave on a whim! This Villa is a proven little gem of an investment and will pay for itself as a holiday let as the proven figures over the last 3-4 years attest too. Easily run it yourself or pick a specialist holiday manager to do it for you.

The villa is currently self-managed and showing good returns with forward bookings. Really, this is a 'no brainer' ...your own beachside villa, central to Busselton, Margaret River and Dunsborough, without all the hassles of a usual holiday home to take care of.
