TIMBER WORKERS COTTAGE WITH WESTERN VIEWS ON 8505M2 BLOCK.

Ever dreamed of owning a character filled workers cottage on the western escarpment of Tamborine Mountain? If so, this may be the place to call home. This very solid Timber cottage home takes pride of place at the top of an 8,505m2, partially terraced acreage property where you can enjoy views to the west, catch a slight glimmer of Brisbane's lights through the trees or watch the sunset from the enclosed upstairs deck.

A lot of work has been done by the current owners from relocating this 1955 cottage from Everton Park in 2016, to clearing a portion of the land, creating usable outdoor spaces with the many rock retaining walls.

Upstairs consists of 4 bedrooms or 3 and a study/nursery, open plan living/dining, walk through kitchen, 1 main bathroom and an entertaining deck. This is a work in progress and is just perfect for the right person to renovate to their hearts desire and complete the dream.

Downstairs is completely separate, consisting of an open plan living/kitchenette and sleeping loft areas completed with a very modern bathroom/laundry. This is the perfect space to run a home business/office, granny flat or even a man cave.
