STEEPED IN HISTORY

"Chesson Lodge" Historic Guesthouse takes pride of place in the heart of Uki - Where the mountains touch the sky ! This place simply oozes charm and sophistication with its soaring ceilings, stained glass window features and polished Teak floors. There is massive open plan lounge/ dining area which could've been used as a grand ballroom back in the day. The home is almost 60m2 undercover with additional decking taking in the sumptuous views across the village green to Mount Warning. The back deck is perfect for lazing in the hot afternoon after your dip in the sparkling palm fringed pool. The property is actively promoted as a BnB and offers the astute purchaser a terrific income with further growth potential or for the extended family to live in luxury in one of the Tweeds tourist hotspots. It would also lend itself to being converted into a special restaurant / bar as it has a fully functional commercial kitchen. There is so much on offer here but the best part is the feeling you get upon entering this majestic home. Don't dream it....make this your new reality.
