SANDRA LIEBENBERG
PROPERTIES GOLD COAST

CHARACTER, CHARM AND WARMTH - PLENTY OF ROOM FOR HORSES

Bursting with character, charm and warmth it has to be seen to be appreciated, it's rare to find acreage in this price range with all the hard work done where you can move straight in and do nothing. Set amongst other appealing acreage homes, this impressive historical home that has been lovingly renovated with superb finishings. Want to escape the rat race? But not give up on the modern conveniences! This could well be exactly what you are looking for.

The home is a truly rare slice of history boasting original wide timber floorboards, soaring ceilings and those ornate cornices and trimmings synonymous with bygone era workmanship.

A stone's throw away from the Pacific Motorway and is little more than 70kms to the Brisbane CBD and International airport. To the south, the NSW border is little more than a 15 minute drive, passing the Gold Coast International and domestic airports. Robina Town Centre, the new Gold Coast CBD is located within a 10 minute drive and is the epicentre of growth area in this region of Queensland. If you are searching for a great family home that will supply a superb acreage lifestyle for the whole family well this is it! You can move in today as this home is awaiting new owners and its ideal for horses. Properties like this one are extremely hard to find so be quick to arrange an inspection.
