CASA GRANDE - ARCHITECTURALLY DESIGNED - THE ULTIMATE LIFESTYLE

CASA GRANDE - A beautifully styled five-bedroom architecturally designed home by Architect Kelly Tuck and Mike Beavis has been created to optimize open-plan living and provide a practical yet elegant design arranged over three versatile levels with expansive entertaining areas and plenty of outdoor space occupying an exclusive location on the quiet yet centrally located street on one of Bonogins most sought after areas.

On the ground floor the architects have created a most impressive rock entrance foyer with a grand marble staircase leading to a generous master bedroom presented in the highest standard with private balcony, office, gym and second double bedroom.

The internal arrangement boasts many outstanding features including a well-designed extra large kitchen and dining notable for its elegant combination of interior materials and exceptional features of space and light.

The formal lounge allows total relaxation and offers a feature fire with double patio doors offering access to the private patio area with rear garden views.

Whether you love to entertain family and friends, or just want a personal backyard retreat this beautiful feature to the property with flood lit tennis court, resort style heated pool and spa, fully equipped outdoor kitchen with wet bar and dining ensures the utmost in privacy for a simple relaxing weekend

The landscaped gardens are extensive and attractive and shopping and dining facilities, well known schools are all just a short distance away.
