If you are looking for a sensational dual living home that has just been renovated beautifully, look no further!

Bring the family! With a combined 6 bedrooms there's room for everyone to have their own space. There are 2 sections to the home where there are 4 bedrooms in the main home and 2 bedrooms in the dual living section (The Villa), both with their own kitchen and bathrooms. These 2 spaces are separated by a living area and separate door. You can also access The Villa via the side of the house by the individual walkway.

With the perfect outdoor entertaining area with a swimming pool, ceiling fans and even a sauna, where else would you want to spend your weekends?

This gem is situated in a central but quiet location in Carrara accommodating to all your needs in the area including local Golf Courses, shopping centres, walking tracks, restaurants, Metricon Stadium, less than a 5 minute drive to the M1 and Gold Coast's iconic beaches.
