Defined by its sweeping views over the property from its superbly elevated position, this amazing Dual Living lifestyle opportunity makes a statement in family living.

Offering plenty of indoor/outdoor entertaining with perfect flow to the in-ground swimming pool and expansive alfresco entertaining area, this large family home boasts impressive space with five bedrooms and four bathrooms plus study or home office. The quality designer kitchen is practical and functional with plenty of bench space and enjoys an open plan family/dining concept. At the rear of the home, a large living area with kitchenette and private deck, excellent size bedroom (5th bedroom) and large modern bathroom creates the perfect layout for guests or extended families.

Features at a Glance:
- 5 good size bedrooms; master with Ensuite
- Spacious open plan living/dining area
- Stunning modern gourmet kitchen with large island bench and storage
- Study or home office which could also be used as another bedroom
- 4 Bathrooms (2 with large shower areas)
- Dual accommodation potential with open plan living, bathroom and kitchenette
- Massive alfresco entertainment area - perfect for entertaining
- In-ground Pool with tranquil water feature
