A SURPRIZE AWAITS. HINTS OF THE RETRO 60'S, A MUST SEE FOR WHITFIELD LIVING AND LIFESTYLE LIKE NO OTHER.

Hints remain from 1960's in this awesome house. Fully renovated with the kitchen designed 'within an inch of its life' (truly the best kitchen you will ever cook in). Media room, dining and spilling out to a massive deck overlooking the pool and gardens.
Three spacious bedrooms, a beautiful bathroom with funky tiles, two living spaces, dining and office area is just the beginning.

The back deck is just the ideal spot to enjoy everything great about the tropics - cool breezes, shade, leafy trees and mountain views. Room for entertaining on a grand scale or relax on the sofa with a cool drink at the end of the day watching the colours change on the mountains - even better when its raining. It truly does not get better than this.

The pool is sensational all year round as it has sun in winter and shade in summer. Room to relax here on a sunlounge with a good book after a busy week (fancy that thought). Easy care tropical gardens give privacy on this fully fenced block in a quiet side street in Whitfield.

A MUST SEE if you are wanting the best location. Close to coffee shops, restaurants, the Botanical Gardens, The Arrow Walking tracks, schools, bus stop and the city not far from home.
