LOOKING FOR THE BEST AREA TO BUILD?

This 20m wide frontage level allotment is located in Tristania Street, Cornubia a suburb of Logan City, situated 30 kilometres south-east of Brisbane. The nearest largest landmark is the Logan Hyperdome shopping centre - one of the largest undercover shopping malls in Queensland.

Cornubia is also close to first class educational institutions John Paul College, Calvary Christian College.

Cornubia is part of the Koala Coast and is home to hundreds of Australian native animals including koalas, wallabies, and various species of birds. A protected nature conservation area is located in the north-west of the suburb, the 196-hectare (480-acre) nature refuge consists of the former Cornubia Forest Park to the south and land known as the Cornubia Escarpment in the north. It is managed as part of Australia's National Reserve System with objectives that include both conservation of flora and fauna, and recreation such as bushwalking and mountain bike riding. The refuge is also managed under a Koala Nature Refuge Agreement with the state government.
