PRIME 1 1/2 ACRE LOT WITH POTABLE WATER BORE

Lot 5 Tatnell Place (off 236 North Arm Yandina Creek Road), North Arm
 Over the four months we're creating a 10-lot acreage estate just one km from the local state primary school.
 What an opportunity... the kids can walk to school from their new home on acreage. Now you don't see this convenience very often!

The location is on the east side of the M1 in a rural setting in the emerging development estate, with a current population density of only 47 persons per square km for the suburb. Lot 4 has already gone through Subdivision Approval and now has only Civil Planning Approval & construction to be completed and should be ready to be built upon within six months, weather permitting! The estate is exclusively reserved for Single Unit Dwellings (no duplexes or townhouses) and is surrounded by long established family homes on acreage.
