Presenting to the market this impressive lowset Four bedroom family home with separate study on an elevated 1,250m2 level block. Positioned in the tightly held Greenwoods Estate featuring a north easterly aspect, overlooking the treetops, this property offers it all… side drive access to a massive three bay shed with workshop and plumbing, an inground heated Bionizer swimming pool and room enough for the children and fur babies to still tire themselves out in the yard.

Come inside and be prepared to be just as impressed by the expansive 300+m2 under roof floor plan including multiple living areas. Upon entering you are greeted with modern flooring. To your left is the home office perfectly located at the front of the home and to the right is a lovely quiet carpeted lounge room/parents retreat this could be easily converted to a media room! Further down the hall you arrive at the open plan living/dining - hub of the home, full of natural light with many sliding doors leading you to the outdoors. Once outside you will lose your partner/husband/wife to THE SHED, it's impressive and if there's a gardener amongst you, you're also going to love being out here nurturing your very own mango, citrus, avocado, gooseberries, pomegranates, mulberries, dragon fruit, pineapples and pumpkins!

The bedrooms of the home are secluded from the living areas and hub with the Master Suite occupying the end of the hallway, with a large fitted out walk-in robe, infinity fan, and ensuite complete with double vanity, large shower and rainwater shower head and stone bench tops, this is a peaceful space looking out to the sparkling inground pool.
