HISTORIC WORKSHOP AND POTENTIAL LIVING QUARTERS

This is one huge solid shed with character...

Get this old machinery shed back on track, this once serviced old dredges and mining equipment with its huge gantry and trolley system to the big old steel lathe.

Plenty of room here, with a living area that needs sprucing up, shower and toilet and an upstairs office area.

Check out the Property Video to get a better perspective of this unique location...

With good access to the Kennedy Highway, a good mechanic could do well here, at this price you might want to get organised and give Vikki and Bruce a call on 0472 910 300 and book a viewing today...
