## THE PERFECT BLEND OF CHARACTER AND MODERN

Vlad Suleski proudly presents... 60A Great Northern Hwy, Middle Swan

This stunning renovated home will tick not only the boxes you have but many more at a price you thought was not achievable!

Here are some of the home's highlights;

- Master chef kitchen featuring 900mm stainless steel appliances with stone bench tops and plenty of cupboard space
- Enjoy the spring weather outside while watching the kids and pets running around in the low maintenance outdoor area
- Relish family time in the lounge room with the centre piece being the original metters oven for cold weather and the reverse cycle for warmer weather
- Feel like a true master in the master bedroom with large walk in robe, reverse cycle air-conditioning
- Private ensuite with marble look wall height tiles and all modern installed including bath tub
- Great size 2nd bedroom with split air-conditioning
- Extra convenient 3rd bedroom or study
- Amazing fully renovated second bathroom with much needed built in bath tub and full wall height tiles
- Very spacious laundry with plenty of space!
- High ceilings throughout
- Stunning polished flooring throughout
- Feel secure with the roller shutters to the front
- Ultra convenient double carport + guest parking at the front!
