BEAUTIFUL HOME, FULL OF CHARACTER ON 1466M2

Sitting on a superb 1466sqm allotment, this beautifully presented family home has been tastefully revived, showing what is possible with meticulous work, a keen eye, and a whole lot of love. This property's unique lifestyle offerings are also truly plentiful.
On arrival, the care and thought that has gone into every aspect of this home is first evident in the private established gardens. The cool grey colour scheme and the front yard is just a taste of things to come.
High ceilings and polished floorboards in the family room, large windows that filter light throughout, and decorative fireplaces. Three charming bedrooms all with built-in-robes and servicing the central bathroom which has a separate toilet. Large laundry with an abundance of storage.
An updated kitchen has been thoughtfully designed with the home's chef in mind. A stylish splash back and country chic overhead cupboards will surely charm. The 900mm oven, S/S dishwasher and island bench is perfect, and forms the hub of the home for all the family to catch up.
The adjoining meals area fits a large family dining table, along with the light filled family living area that is warm and inviting thanks to the gas log heater and the natural timber floors. The window seat is a perfect place to relax and enjoy the views of the established yard, or just read a book with a nice cuppa. The second living area has a gas fire and plenty of space for the home office.
Outside you'll be amazed and surprised at the size of the tandem double garage workshop, double gate access to the secure backyard which has space for the kids to play, beautiful gardens and trees, extra shedding, BBQ and fire pit.
