CONVENIENT CITY LIVING

Experience life without the commute in this chic one-bedroom apartment in the centre of Darwin. Leave the car at home and take a walk through the city to local restaurants, boutique shopping and cafes in minutes, maybe stay in and enjoy a relaxing drink from your balcony taking in the sweeping CBD views or take a dip in the inviting rooftop pool.

The open living area is the central point of the unit's functional modern layout with an abundance of storage options throughout the entire unit making clever use of all areas. Fully tiled with ceiling fans and air conditioning throughout and large sliding doors to the balcony area ensure the unit stays cool all year round.

While compact, the kitchen offers all modern conveniences including dishwasher with large double sliding doors concealing even more storage space options. The main bedroom features built-in robes around the bedhead and extra cupboards above, giving the feel of an even larger room with louvered windows to capture the cool dry season breezes. The bathroom is simple but very handy with an under-bench front loading washing machine all in the one neat area with shower and toilet. Off the main living area is the study, it is straightforward and yet extremely practical plus has a fold away bed for visitors cleverly stowed away along with even more storage.
