IMBIL ISLAND PROPERTY AT REDUCED PRICE!

*** PRICE SLASHED FOR AN IMMEDIATE SALE ***

171 Yabba Creek Rd is separated from the village of Imbil by over 1 km of frontage to Yabba Creek Anabran. Enhanced by over 5,000 trees, planted about 12 years ago, the creek gives a permanent water source to the 83 acre (33.59 ha) grazing property. The home is post war style, built in the early 1950's but recently refurbished. You enter to a tiled "mud room" that doubles as the laundry. Up 3 stairs to a separate toilet and a storage room, currently used as a large pantry, before entering the country kitchen. This is a timber kitchen that features a slow combustion stove in an alcove. The cosy living area includes the lounge and dining rooms and gives access to a covered north facing timber deck.

The main bedroom has built-in-robies, a window seat and an adjoining study or nursery. There are two other bedrooms and a brand new bathroom. The attractive period home features high ceilings and polished timber floors throughout.

Outbuildings include:

- A matching 3 bay lined and insulated garage beside the home,
- A fully enclosed, high clearance 21m X 16m machinery shed, and
- As new cattle yards that include a loading ramp and crush.

Water includes Yabba Creek Anabran, tanks and town water.
