TRENDY TOWNHOUSE IN PRIME LOCATION

This modern and well maintained townhouse is situated in a quality and security gated community with lush open spaces, bbq areas and choice of two tropical pools for the ultimate lifestyle.

Enjoy the open plan, light and bright tiled living and dining area (including air conditioning) with central kitchen and stainless steel appliances that overlooks the rear private courtyard and low maintenance garden and entertaining area.

There is also a separate laundry and powder room downstairs and internal access from the single lock up garage.

Upstairs features a dedicated study nook and large linen/stationery cupboard which is perfect for combining working from home with easy access to the freeway for days you need to commute to the office.

The master suite is generous with quad mirror door robes providing ample storage. Relax and enjoy a morning coffee and read a book on your own balcony and stylish en-suite.

The other two bedrooms are doubles and have built in wardrobes.

Excellent investment opportunity with great long term tenant paying \$385.00 per week - immediate income for astute investors in a prime growth area.
