WHAT A VIEW...

This 7.2 ha large property offers not just views but permanent water and rainforest as well. Conveniently located along a Highway only 10 minutes from Millaa Millaa and 30 minutes to Innisfail, it makes 'going to town' quick and easy. The property is fully fenced and can host cattle to keep the grass down. About two thirds of it is vegetated with a track leading through the rainforest. The small, permanent creek can be used for the supply of water or just to dip in for a cool down.

Power access is not far away but the property would equally lend itself to install an off grid power system.
