CHARMING COUNTRY HOME IN A QUIET RURAL LOCATION!

This tastefully renovated timber home is set in a quiet rural town and is in close proximity to an array of amenities including the shopping centre and library. The home is on a double block an approx. 100m walk through a park to the local swimming pool which is adjacent to the South Burnett Rail Trail. The home has a modern kitchen that adjoins the living and dining area with a central wood fireplace to keep you cosy in the winter. The three bedrooms are bright and airy. The claw foot bath is a highlight in the bathroom and in keeping with the lingering old world charm of the home. There is air-conditioning in both the living area and main bedroom. The large laundry opens onto an expansive covered entertaining area that is protected on one side by the double lock up garage creating a very private alfresco dining space. There are also very useful garden sheds and the addition of a new Colourbond fence ensures your back yard is safe for children or pets. This property is ideal for a single/small family or to add to your rental portfolio. Recently reduced and great value at the new price. Please contact me to arrange a private inspection of this delightful home.
