QUICK SALE WANTED - NEW PRICE \$170,000

The vendor has shown his commitment to meet the market for a quick sale or it will be removed from sale in order to relocate overseas.

This Oceanside Estate presents a final opportunity to capture a rare piece of paradise in the coastal town of Woolli. With only a few well positioned blocks available in the area with direct no road access to the beach it's time to consider. Imagine your new home on this flat and spacious 940 sqm block of land which backs onto native bushland offering a feeling of freedom and spaciousness enriched with wildlife. If that isn't enough the unspoilt and secluded Woolli Beach under 350m away is accessed by a leisurely nature walk. Contact me to discuss the benefits of this land to create as you desire or the many turnkey home options available if you want the building process simplified. This block is priced to sell...
