TREE CHANGE IN THE CITY

Looking for an ideal location and don't want to feel hemmed in? Your search for the perfect place to call home is now over.

Welcome to your idyllic oasis, where you will enjoy privacy and peace and quiet while still so close to all the conveniences and services you have come to expect.

The elevated 858m2 block will delight you with its expanse of trees as your backdrop, the serene sound of birds as your company and a park as your neighbour.

Of the many noteworthy features of this home the stand out would have to be the east facing 12.6 metre deck. Complemented by a full length opening Vergola, you choose when to let the sun in and the rain out.

The centre-piece of the home is the open plan living, kitchen and dining where you are never far from conversation and a comfortable place to gather with family and friends. The air-conditioned living space features a cathedral ceiling providing a sense of space and openness, views across the deck and nature as your surroundings.

Three generous bedrooms all with large built in robes will be sure to satisfy your needs, while the recently renovated bathroom and laundry space has been designed for functionality and convenience.

A stylish kitchen with an abundance of drawers and cupboards, floor to ceiling pantry, electric appliances, granite benchtop and a dishwasher complete this very desirable home.

Side access area large enough to cater for a caravan or boat is an added bonus.
