

SOLD

LUXURY BEACHFRONT APARTMENT

Unit 12 Deep Blue is situated on the third floor directly on the beachfront at the southern end of the Tangalooma Resort.

It is currently the only property for sale with direct beach access.

This luxury apartment offers 2 large bedrooms, 2 bathrooms and a beautiful open plan living area. There is a single lock up garage with storage at the rear and the apartment has ducted air. Sit on your wide spacious balcony which houses a built in bbq and watch the nightly dolphin feeding and capture the most amazing sunsets.

The seller has placed new furniture in the apartment which is not shown in the photos and replaced the air conditioning recently.

These apartments are highly sought after for holidaying and purchase, so this will not last! A full financial disclosure statement is available upon request. Inspections are by appointment only as it is heavily booked.

Contact Juliet today to discuss how you can make this fantastic investment opportunity a reality!
