This charming house is perfect for those looking to start their real estate portfolio or move into a new home.

Let's start upstairs where you'll find the spacious lounge that opens out to the front verandah. There are three good sized bedrooms, each with Built in Robes. Two of the bedrooms are airconditioned and 2 have ceiling fans. The bathroom boasts separate shower and bath plus vanity, giving you plenty of room for a growing family.

The Kitchen is well appointed with electric oven, cooktop and rangehood, there's loads of storage and benchtop space, and it overlooks the large backyard. The deck provides a great place to relax or entertain... or simply take in the sights and sounds of the neighbourhood.

Downstairs you'll find the internal laundry with second toilet (and the start of a second shower). A large room perfect for a second living or rumpus plus a study looking out to the back yard. There's also secure accommodation for 2 vehicles.

The house is situated on a generous 696 square meters of land, providing a spacious back yard with garden shed and also has side access, perfect for tradies or those with boats or caravans they'd prefer to keep out the back.

This house is the perfect blend of modern amenities, comfortable living and with local parks, schools and Kensington Village Shopping centre nearby... an ideal location. Whether you're looking for a great investment property or a new place to call home, this house is perfect for you. Make sure to act fast, as this property won't last long on the market.
