REASONABLE OFFERS INVITED!! THIS CUTE AS A BUTTON BEACH COTTAGE IS LOOKING FOR A NEW OWNER - WALK TO SNAPPER CREEK!

This home is already set up as a holiday home, and the furniture can be left by negotiation. Location is superb, walk to the end of the road and you are at Snapper Creek. A further short stroll takes you to the Marina (have tea at the new Sails restaurant overlooking the majestic yachts!), or keep on walking down to the foreshore and have fish and chips overlooking the Bay! The home itself is a cute cottage, and comprises two bedrooms + a sun room - at the moment the configuration comprises 2 x double beds and 2 x single beds, so plenty of room for the family! There is a cosy kitchen, with a timber servery for ease of serving food when entertaining. There is a living/dining combo, with timber doors and window, and timber plantation shutters. There is a 6 x 6 shed at the side of the home, and an undercover outdoor entertainment area. The home is beautifully treed with magnificent established Poincianas front and back assuring your privacy at all times. The home is fully fenced. Tin Can Bay is becoming an extremely popular holiday destination because of the relaxed vibe! Your private viewing is welcomed by calling Janet Young.
