Set on a roomy block of almost 800 sqm it has been lovingly maintained by the same family for more than 50 years. It is now ready for a new owner. It offers many of the great features from the 1960s. Entry is to a spacious hallway which offers great separation between the generous sized lounge and the 3 large bedrooms, 2 of which have floor to ceiling robes. You will be impressed by the timber floor boards which look as good as they did when the home was built. The backyard is enticing with a below ground pool, free standing covered entertaining area and a secluded 30sqm (approx) games room. There is a handy separate entry door to the home from the carport, ample storage, bore reticulation and 2 split system air conditioners. All this and situated in a highly desirable part of Dianella. Offers invited in the high \$600s. Call Terry to arrange an inspection.
