This stunning block is located in the Elimbah/North Caboolture/Wamuran Region and showcases an outstanding outlook including Glasshouse Mountain views if you were to build double storey. With town water, power and NBN, this block provides plenty of space for all residents, if you are not a fan of high-density living, increasingly common in new estates, you will LOVE this, plus you can build a substantial size home and shed without sacrificing a decent backyard for the children to play and there will be plenty of room for a pool too!
