LIVE RELAXED AND COMFORTABLE AT WYONG'S LIFESTYLE VILLAGE!

Welcome to a lifestyle of comfort and convenience!

This unique villa is unlike any other as it is designed in a way which makes it feel more like a standalone house rather than a villa, this is due to the large open space living area and modern kitchen featuring gas stovetops. This is connected to a hallway that leads to the bathroom/laundry and a spare bedroom on the left and the master bedroom on the right. Inside of the property was designed with your comfort in mind, with a large built in wardrobe/pantry to provide plenty of storage, air conditioning, and broadband internet access. Also included is a garden shed for extra outdoor storage.

Located within walking distance to local shops, train station, bus stops, medical facilities and community centres such as the Wyong art house location doesn't get much better than this. The village also provides 24-hour security. This complex also allows small pets.

Villas of this calibre don't often appear and will not last long. Call Brad on 0413 875 833 to organise an inspection.

2 BED | 1 BATH | 1 CAR

PRICE:
\$180
