## BUILD YOUR DREAM HOME IN HARMONY

Recently register, this 373m2 block is ready for the next chapter for you to build your dream home without the extended wait periods. Purchase, settle and start your build process.

The Serenity release of Harmony is situated on the edge of the development, closest to Sippy Downs. Currently, there is a bike/walking path taking you straight into Sippy Downs in just minutes - walk or ride to Chancellor State College, University of the Sunshine Coast, and the retail precinct of Chancellor Park. In time, the development will grow and evolve to accommodate several access roads, including into Sippy Downs as well as a Bruce Highway access ramp for easy trips to Brisbane and Gympie.

Harmony is a superbly located address that connects you to everything you love about Sunshine Coast living and much, much more. Situated between pearly white sands and lush green hinterland, Harmony has all the heart of a village community, with all the soul of beachside living. There's sunshine, pristine beaches and the tranquility of the tropical hinterland all right on your doorstep and yet, you're just a few minutes away from the cafés in Mooloolaba and the easy vibe of Maroochydore.
