With an idyllic position opposite parkland, the Community Garden and primary school, this gorgeous corner block home has recently been renovated throughout and is now ready for its next owners.

Step inside and discover a home that creates a real sense of ease and comfort with its lofty ceilings, lovely natural light and soft colour palette.

A large, open-plan living and dining room forms the heart of the home with a log burner for the cooler months, while the overlooking kitchen is spacious, bountiful benchtop space, a gas cooktop and gorgeous traditional timber cabinetry - a central hub for hearty family conversation.

The 4 bedrooms are generously sized, and the two bathrooms are complete with contemporary fittings.

Outside, the backyard is fully fenced and private, with a patio, and endless space for kids, pets and adults to move and play.
This large corner block has plenty of scope for a shed to be built, given the great rear access.
